

What should Flexi-Boarders bring to school?

Although we can provide them, Flexi-Boarders might like to bring in a duvet cover and pillowcase (properly named) of their own, which will then be kept and laundered at school. Each time that they board, Flexi-Boarders must bring the following items into school in a small, clearly named, overnight bag:

- Pyjamas (bottoms must be mid- thigh to full length for being around house before bed – shorter pyjama shorts can be worn once in bed),
- Dressing Gown and Slippers (must be suitable for wearing outside in any weather)
- Toilet bag containing:
 - Toothbrush & toothpaste
 - shower gel & shampoo
 - comb and hair bobbles/grips (girls)
 - shower cap (girls)
- Towel
- Clean underwear, socks/tights and a shirt for each day of their stay
- One set of play clothes
- Reading book and teddy (if required)
- They may also wish to bring a photo (6"x4") for their photo frame, and additional photos and posters to decorate the pin boards

Flexi-Boarders who only have one night at home between boarding nights, or who board 3 nights a week, may leave their boarding bag neatly stored under their bed on nights when they are not boarding. Children who have more than one night at home between boarding night, or who only board one night a week must not leave anything in their bedroom (dressing gowns, towels, slippers, etc.) between the nights they board or over the weekends. They may, of course, leave photos and posters in the dorm.
